

Monifa Richards  
Administrative Assistant

Monifa is the newest member of the CELA team, joining us just as she was graduating from Galen University in April of 2017. She has lived in San Ignacio, Cayo Belize, all of her life. As a recent graduate, she is passionate about working for the betterment of self, through education. She was elated to join an institution which was a perfect fit for both her interests and educational backgrounds. She holds an Associate's Degree from Sacred Heart Junior College in Natural Resource Management and a Bachelor's from Galen in Anthropology. She provides administrative support to CELA managers. Monifa feels CELA provides hands-on experience for our international students which equips them with knowledge and skills they can use to be successful global citizens.
